

About Nordic Capital Markets Forum

Nordic Capital Markets Forum (NCMF) was founded in February 2006 at a constitutive meeting held in Copenhagen.

The purpose of NCMF is to provide a forum for the sharing of knowledge between financial institutions, corporates and public institutions and their financial and legal advisers engaged in the Nordic debt capital markets, with particular focus on capital market products, derivatives and structured products of relevance to the Nordic market, and to facilitate and strengthen professional relations between the participants in these markets.

Previous NCMF events

For more information on planned events please refer to NCMF's website www.nordiccapitalmarkets.org. We welcome comments and suggestions from our members on past and future events. Please share your thoughts with us. We are also looking for members who would like to host events in the future. Please let us know if you are interested in doing so.

Since the announcement of NCMF's first "proper" event in June 2006, the membership has grown rapidly and NCMF now counts 104 member institutions. One of the best ways to promote NCMF is by word of mouth. Please pass on information about the forum to all your relevant contacts. This document can be found on NCMF's website www.nordiccapitalmarkets.org under "Becoming a Member" and we encourage you to use it to help us market NCMF.

The membership fee is € 350 per member firm or individual.
